D-DAY 80 | BE A PART OF HISTORY

England, France & Germany

13 days | London | Normandy | Paris | Munich

Set foot on the European battlefields where Allied soldiers built their heroic reputation. In Normandy, you will commemorate the 80th anniversary of D-Day with ceremonies and special programming. Study more key sites across these countries that will remind you of the massive costs of World War II, including a visit to the Dachau concentration camp in Germany.

Lessons come to life

On June 6, 1944, American, Canadian, and British forces made history as 156,000 soldiers landed on the heavily fortified coast of Normandy, France. This was one of the largest amphibious military assaults on record, marking the beginning of the Allied invasion of Western Europe.

In honor of D-Day's 80th anniversary in 2024, join students and educators from across the country to explore the historic sites of World War II. You'll gain a new perspective on history and your place in it as you connect with the local community, participate in ceremonies, and rediscover a significant moment that shaped decades of global affairs. EF's exclusive educational partnerships and deep local access ensure you'll be part of the action during this unforgettable event.
